## GOLDEN AGE CONTRACT

**Dog's Name:** *1 Sheet per Dog*

For those 4-legged children who are seniors (over 10 yrs) or have a current illness, we want to ensure your wishes are met in the event of a loved ones passing. K-9 Kingdom, Inc. does everything possible to ensure your pet's stay is comfortable and stress-free. While most pets adjust to their new temporary surroundings, we are aware that some older pets or those with an illness or not feeling well may have a more difficult time. Each pet is different based on their past experiences and their current medical condition, but the new environment might add an additional level of stress to their system. While the stress of a new surrounding will not itself cause an illness, in elderly pets it may cause an underlying issue to surface.

At K-9 Kingdom, we take the health and safety of all our guests very seriously. In the event of your dogs passing while in our care, we have made arrangements with DeJohn Pet Services to assist us with your pet. Be assured they will treat your 4-legged child with the respect and dignity they deserve. DeJohn will pick up your pet and hold your pet until your return. There will be no charge for this assistance.

Your signature below will authorize DeJohn Pet Services to hold your pet's body. You also agree to contact DeJohn Pet Services upon your return to finalize arrangements.
